

Noble Park Chess Club Junior Program COVIDSafe Plan

1. Ensure physical distancing

- All relevant DHHS density rules will be posted outside the school hall and enforced by the managing club official.
- Signup and payment will take place outside the entrance of the hall. Distanced seating will be provided outside the hall for parents.

2. Wear a face covering

- Signs will recommend the wearing of face masks by adults and children aged 12 and above.
- If masks become mandatory in this setting, this will be communicated both verbally and via signage to all present by the managing club official.

3. Practise good hygiene

- The club will provide hand sanitiser.
- On entry and when leaving the hall, juniors, coaches and club officials will use hand sanitiser.
- Coaches will hand sanitise regularly when handling the chess pieces.
- Pieces will be left set up on the boards at the end of each session, the managing club official will then pack pieces away into bags taking care to sanitise hands before and after this process.
- Any person in attendance displaying symptoms of concern to the managing club official will be required to leave the session and encouraged to seek COVID-19 testing.
- The club will not provide food and drinks of any kind. These may be brought to the sessions by participants, but only water is to be brought into the hall.

4. Keep records and act quickly if workers become unwell

- All participants must scan the Noble Park Chess Club QR Code or record their visit in the club's COVID log book and/or spreadsheet.
- If a participant shows symptoms consistent with COVID-19 that are of concern to the managing club official during the session, they will be requested to leave and encouraged to undertake COVID-19 testing as soon as possible.
- If a coach or club official becomes unwell, they must communicate this as soon as possible to the managing club official who will either arrange a fill-in or notify

affected juniors that their coach is unavailable and their group will skip the week's session.

5. Avoid interactions in enclosed spaces

- Adult-adult interactions will take place outdoors to the greatest extent possible. Coaches and the managing club official will keep the maximum distance practical when inside the hall.
- Juniors will avoid making physical contact and will use distanced seating.
